News

Hello ÉRBL parents, guardians and caregivers!
A belated welcome back to another school year. Thank you to all for supporting our fundraising efforts last year. We were able to provide many things such as paying for student planners, paying for buses to field trips, classroom requests, new volleyball net hardware and 2 post secondary education bursaries.

We are so excited for the fun events, fundraisers and projects we have in the works for this year that have not been possible due to low volunteer numbers.

HELP MAKE OUR SCHOOL COMMUNITY STRONG

Parent involvement in the school results in increased student achievement, accomplishment, satisfaction, and bonding. Our students deserve this!

Any parent or legal guardian of a child enrolled in ÉRBL Elementary can attend PAC meetings as a voting member. We are in desperate need of members to be able to continue to provide these services to our school and children. Many hands make light work.
