Overview

The Criminal Records Review Act ensures that people who work with or may have potential for unsupervised access to children or vulnerable adults undergo a criminal record check by the Criminal Records Review Program (CRRP).

Volunteers and employees covered under the [Criminal Records Review Act](#) can access the online criminal record check application by:

- Receiving an email invitation that includes a secure direct link, or
- Receiving a web link and unique access code from their registered volunteer or employer organization.

The online criminal record check form uses the [BC Services Card Login](#) to verify an applicant's identity. The BC Services Card Login is a secure and easy way to prove who a person is when they are accessing [government services online](#).

If the applicant chooses not to use their BC Services Card Login, the organization is responsible for completing the identity verification process.

Consent to a Criminal Record Check

Please read and agree to each of the following statements

I hereby consent to a criminal record check pursuant to the *Criminal Records Review Act* (CRRA) to determine whether I have a conviction or outstanding charge for any relevant or specified offence(s) as defined under that Act (CRRA check). I hereby consent to a check of available law enforcement systems as further described below, including any local police records.

I hereby consent to a Vulnerable Sector search to check if I have been convicted of and received a record suspension (formerly known as a pardon) for any sexual offences as per the *Criminal Records Review Act*. For more information on Vulnerable Sector searches, please visit the Royal Canadian Mounted Police (RCMP) website: <http://www.rcmp-grc.gc.ca/en/types-criminal-background-checks>.

I understand that as part of the Vulnerable Sector search, I may be required to submit fingerprints to confirm my identity. In addition, where the results of a check indicate that a criminal record or outstanding charge for a relevant or specified offence(s) may exist, I agree to provide my fingerprints to verify any such criminal record.

My organization and I will be notified that I have an outstanding charge or conviction for a relevant or specified offence(s), and that the matter has been referred to the Deputy Registrar for review. The Deputy Registrar will determine whether or not I present a risk of physical or sexual abuse to children and/or physical, sexual, or financial abuse to vulnerable adults as applicable; the determination will include consideration of any relevant or specified offence(s) for which I have received a record suspension (formerly known as a pardon).

If I am charged with or convicted of any relevant or specified offence(s) at any time subsequent to the criminal record check authorization herein, I agree to report the charge(s) or conviction(s) to my organization, in a timely manner, with a new criminal record check authorization.

For the purpose of completing my CRRA check as described above, I authorize the collection and/or consent to the disclosure of my personal information within Canada, as follows:

Pursuant to the *Freedom of Information and Protection of Privacy Act* (FolPPA), I hereby consent to the disclosure by the Ministry of Attorney General to the Deputy Registrar of my name(s), aliases, if available, Correctional Service Number (CS#), history of contact with BC Court System, and my date of birth as found in the Justice Information System, JUSTIN.

Pursuant to FolPPA, I hereby consent to the disclosure by the Ministry of Public Safety and Solicitor General to the Deputy Registrar of my name(s), aliases, CS#, history of contact with BC Corrections, and my date of birth as found on the BC Corrections' client management software.

If payment is required, you will be redirected to the payment site. If you are not responsible for the payment, the **Application Submitted** page will display. An email confirmation will be sent to the email on file.

Sharing a Criminal Record Check

An applicant may be able to share a previous criminal record check with a new organization if they have a valid check that was completed by the CRRP within the last 5 years for the same “works with” category. If an eligible clearance exists in the system, the applicant will be provided the option to share their previous check.

Note: *It is important to contact the organization to confirm if they will accept a previous criminal record check clearance. An organization can decide whether it will accept a shared criminal record check result and may ask the applicant to consent to a new criminal record check.*

If the applicant chooses to share their previous criminal record check, they will be directed to a page where they will be required to Consent to Share a Criminal Record Check.
