## MEMORIAL WALK

On May 27, 2025, the students and staff of ÉRBL gathered to observe the anniversary of the discovery of 215 unmarked graves at the Kamloops Indian Residential School site. In May 2021, the Tk'emlúps te Secwépemc Nation announced the discovery of 215 unmarked graves at the site of the former Kamloops Indian Residential School. Ms. Geraldine William led our students through songs alongside our student drummers. Ms. William was then joined by students and staff for a memorial walk throughout the school grounds.

Observing a day of remembrance honours the survivors and acknowledges the suffering endured. It serves as a collective commitment to understanding this dark chapter in Canadian history, fostering healing, and ensuring such atrocities are never repeated. This day underscores the importance of reconciliation and the role that school plays.

## Exciting News for the ÉRBL Community!

We're thrilled to share that École Red Bluff Lhtako will be undergoing an exterior upgrade beginning next week!

This exciting renovation will not only enhance the aesthetics of our school building, but will also bring several functional improvements, including:

- Increased insulation for better energy efficiency
- Updated entryways to improve accessibility and appearance
- Upgraded walking paths for safety and ease of access

The project is expected to continue into the fall, and during this time, you will notice construction crews on site. Please rest assured that all safety measures will be in place to ensure the security of students, staff, and visitors.

The exterior design will follow the same beautiful and modern redesign you may have seen at Dragon Lake Elementary, Lakeview Elementary, and Bouchie Lake Elementary. We're excited to bring this fresh new look to our school community!

We appreciate your understanding and support as we make these important improvements. We can't wait to see the transformation and share it with all of you!

Warm regards, ÉRBL
