School Photos – Re-take Day November 7, 2025

- Clark Action Photography company uses an online ordering system. After photo capture, proofs will be online the next day and ready for ordering.
- Each student will have at least 3-5 proofs to select a large variety of photo packages.
- All students will be photographed against a green screen.
- **Students are requested not to wear green-tinted clothing or camouflage as it will affect their overall product in the end**
- Students do not have to bring any money to school for picture day as we operate a proofing program.
- Each student will go home with a detailed information sheet on how to access their photographs within 24 hours.
- Using a personal online access code; information on how to get to the link to access their photos for ordering will be on that sheet of paper.
- Students will have over 40 backdrops to complement their photos.
- Once parents place an order from the credit-card secure website, photo orders will be mailed directly to their door from the lab in Edmonton, Alberta.
- There are no forms to fill out before or after photo capture
- If any students need retakes or they were absent on opening day, all they have to do is alert their teacher on retake day and come in for another set of photos
- If you have any questions before or after (if the access code gets misplaced for example), please don't hesitate to contact Lorne @ Clarke Action Photography in Prince George via info@clarkeaction.com
- He will be more than happy to assist you.

HAPPY HALLOWEEN

ÉRBL celebrated Halloween in style this year! Many students and staff were completely immersed in the spirit this year. Each class participated in a Halloween costume parade so we could enjoy everyone's hard work and dedication to their costumes! We all had an amazing time and we hope everyone enjoyed Halloween with their families!

StrongStart
