Interview with

Mme. Bobi

Mme. Bobi is a new teacher in our school she teaches the French 4/5 class halftime she is also the mother of Lakey and Juniper.

We started by asking her why did you choose to be a teacher and she responded with because I love learning and I love kids and teaching! What did you do before you were teaching?

I was a nurse and I choose to be a nurse because I like helping people, and I find body science interesting.

Why are you a French teacher?

Because I like the French language and I like getting kids excited with French.
