Kindergarten & Out-of-Catchment Registration

Kindergarten registration & Out-of-Catchment registration for the 2026/2027 school year opens Monday, February 2, 2026. Kindergarten registration packages will not be available until this time.

School District 28 is preparing for the 2026-27 school year and recently announced new catchment boundaries. We know that catchment changes can bring questions for families, especially about staying at a current school or requesting another school. Please refer to the link below for information about registering your child for next year and the Out-of-Catchment process. If you have questions about how these updates affect your family, please reach out.
