Wednesday June 24th , 2026

By: Yuki Sturt (editor, art), Gabriella Bird (sports, art), Lakey Wurm (upcoming events), Echo Falkenstein (interviews) and, Ayla Smith (weather, jokes).

## Goodbye Mr. Tate

Sadly Mr. Tate is going to be leaving Red Bluff and is going to be a principal at Carson Elementary. So we will not have him next year. he has been a great principal and helped make the school a better place! He has been a principal at Red Bluff since August, 2021. Our new principal is Ms. Coben. Before she was appointed to Red Bluff she was the principal at McNaughton Centre. She was also previously the principal at Barlow Creek Elementary. So please welcome Ms. Coben as she comes to Red Bluff.

-Yuki Sturt

## Goodbye Grade 7's

A lot of the grade 7's have been at Red Bluff since kindergarten. Now they are strong leaders. Goodbye all grade 7's.

## Our team

## School Year End

It's now coming to the end of the school year on the last day of school! We have not been able to get a newspaper out for quite some time because there have been a lot of activities happening. This is the last *Raptor News* of the year and hopefully it can continue next year!

-Yuki Sturt

## Sports

Thank you to all of our track and field participants for a great day. Thank you to Ms. Hesselgrave and Ms. Leblanc for running our Cross-country. And that is the end of spoorts till next year

-Gabriella Bird

**Have a great summer break and hope to see you next year!**

## Change In Catchment

There is going to be a little changes for kids going to school.

So there will be a lot of new kids at Red Bluff, and a lot leaving to go to another school. The reason is there is a catchment change. You have a new school that your supposed to go to depending on where you live. So if your not going to the school in your catchment then you have to go to the one in your catchment.

You can stay at the school your going to but there will be no bussing if you're out of your catchment. The catchment changes do not effect French immersion because there is only one french school in Quesnel.

Goodbye to all the students leaving Red Bluff and welcome to the new ones who are coming in September.

## Upcoming Events

There are many field trips happening as it is the end of the year. All the spring concerts are finished. Year end assembly happened today school!

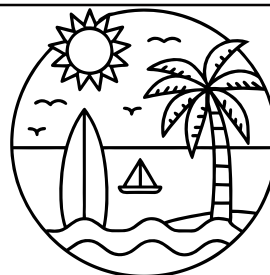

## Interview with Mr. Tate

Mr. Tate is a great principal and always manages to stay calm. As you know he is leaving Red Bluff (read more on 'Goodbye Mr. Tate). Let's see how he answers these questions!

1. Did you start out as a teacher and how long have you been working for SD28? "I did start out as a teacher" he worked with SD57 both primary and intermediate, but mostly gr.5. "I started with SD28 September 2013."
2. Are you sad to be leaving Red Bluff? "Very much so, I really enjoyed working with students and staff at ERBL".
3. What do you do outside of school? "I love hanging out with my family and spending time at a beach".
4. What's your favourite food? "Sandwiches".
5. What advice would you give to kids these days? "It's okay to be a kid and not know what your going to do next. Take time to enjoy now".

Thank you Mr. Tate, and we'll really miss you! Also a big thank-you to all the teachers and secretaries who made Raptor News happen!

**Kindergarten registrations are open! Get your kid registered for school now!**

## Au Revoir Mr. Tate

Malheureusement, M. Tate va quitter Red Bluff et sera directeur à l'école primaire Carson. Nous ne l'aurons donc pas l'année prochaine. Il a été un excellent directeur et a contribué à faire de l'école un meilleur endroit ! Il est directeur chez Red Bluff depuis août 2021. Notre nouvelle directrice est Mme Coben. Avant d'être nommée à Red Bluff, elle était directrice au McNaughton Centre. Elle a également été auparavant directrice de l'école primaire de Barlow Creek. Veuillez donc accueillir Mme Coben alors qu'elle arrive à Red Bluff.

-Yuki Sturt

## Changements de bassin versant

Il y aura quelques changements pour les enfants qui vont à l'école.

Donc il y aura beaucoup de nouveaux enfants à Red Bluff, et beaucoup partiront pour aller dans une autre école. La raison est qu'il y a un changement de bassin versant.

Vous avez une nouvelle école où vous êtes censé aller selon l'endroit où vous vivez. Donc, si tu ne vas pas à l'école de ton secteur, alors tu dois aller à celle de ton secteur.

Vous pouvez rester à l'école où vous allez, mais il n'y aura pas de transport en commun si vous êtes hors de votre zone de recrutement. Vous pouvez rester à l'école où vous allez, mais il n'y aura pas de transport en commun si vous êtes hors de votre zone de recrutement.

les changements de bassin versant n'ont pas d'incidence sur l'immersion en français, car il n'y a qu'une seule école française à Quesnel. Au revoir à tous les étudiants qui quittent Red Bluff et bienvenue aux nouveaux qui arrivent en septembre.

-Yuki Sturt

## Au revoir les élèves de 7e année

Beaucoup de élèves de 7e année sont à Red Bluff depuis la maternelle. Maintenant, ce sont de bons leaders. Au revoir tous les élèves de 7e année.

## La fin D'école

C'est maintenant la fin de l'année scolaire parce c'est le dernier jour! Nous n'avons pas été en mesure de publier un journal depuis un certain temps parce qu'il y a eu beaucoup d'activités. C'est la dernière Raptor News de l'année et j'espère qu'elle pourra continuer l'année prochaine !

-Yuki Sturt

## Les Sports

Bon travail à tous les participants d'athlétisme qui ont participé à Correlieu. Le cross-country est presque terminé.

Merci à Mme Leblanc et à Mme Hesselgrave d'avoir organisé cela.

## Événements à venir

Il y a beaucoup de sorties sur le terrain car c'est la fin de l'année. Tous les concerts de printemps sont terminés. La course est terminée.

Merci à Ms.

Hesselgrave et Ms.

Leblanc pour toute au cross-country!

**Les inscriptions en maternelle sont ouvertes ! Inscrivez votre enfant à l'école dès maintenant !**

## Word Scramble

Easy: usn

Hard: mresmu

Unscramble the words (Answers in next edition)

Last edition answers:

Easy: Egg

Hard: season

## Vanilla Milkshake

### Equipment

### Blender

### Ingredients

5 scoops ice cream (about 1 ¾ cups)

¼ cup milk

### Instructions

**Combine the ice cream and milk in a blender and blend on low until smooth.**

**Pour into a cup and garnish with whipped cream, sprinkles and a cherry if desired.**

### Notes

**To make this milkshake even creamier, you can try using heavy cream in place of milk.**

**When purchasing ice cream, make sure you are being real 100% dairy ice cream. There are ice creams that are labeled as "frozen desserts" as they're made with vegetable oils.**

**To easily scoop your ice cream, let your ice cream sit at room temperature for around 5 minutes so it can soften enough to scoop.**

**If you find the milkshake a little too thick for your liking, add in additional milk a couple of splashes at a time.**

**To help your drink stay cold longer, you can place your glasses in the freezer beforehand.**

**Don't have a can of whipped cream on hand?**

**Try making your own whipped cream.**

**Don't add ice to this. Ice will water down your drink.**

**It makes about 1 big serving, double or triple it for 2-3 servings.**

**You can substitute the vanilla ice cream for a different flavour.**

### Jokes

1. Why did the banana wear sunscreen at the beach?

**-Because it didn't want to peel!**

2. I wondered why the baseball was getting closer and closer ... then it hit me.

3. What do you call a fish with no eyes?

**-A fsh.**

**Happy Summer Everyone!**
